

skirt

lighting

Description

A "lampshade" made of laminated felt or spun metal gently rests on top of the wood base without any glue or fasteners. The flexibility of fabric allows the shade to be removed easily but still conform to the proper shape when in place & the use of felt prevents the edge from fraying. Skirt is made with offcuts and waste material from larger projects.

Sizing

Small Pendant
4" x 4" x 8"

Medium Pendant
6" x 6" x 7-1/2"

Large Pendant
