Description

Taco is a versatile pendant light that consists of only two components - a solid oak dowel and a piece of 3mm powder coated sheet metal. To assemble the light, the folded sheet metal shade simply rests atop the dowel and light source, which allows for easy customization of the colour or shape of the shade. Available in short 8" to 48" lengths.

Sizing

Small Pendant:
 Dowel: 1-1/2" x 1-1/2" x 10"
 Aluminum Shade: 7" x 7" x 4"

Large Pendant:
 Dowel: 1-1/2" x 1-1/2" x 16"
 Aluminum Shade: 13" x 13" x 7"
